

# Congratulations to the winners of the Triangle Business Journal 2010 Women in Business Awards

Women play a vital role in the health of our community. Not only are they often the decision makers for their families' health care, many promote health and wellness in their neighborhoods, churches, and schools by adopting healthy lifestyles and sharing what they know with others. We salute their leadership and their contributions to the Triangle.

## **Paige Humble**

Director of Marketing and  
Communications  
Duke Raleigh Hospital  
Category: Behind the Scenes

## **Lynne Mitchell**
